Board of Director – Nomination Package

Who We Are

The first settlers arrived in the area in 1912 and the Neerlandia Co-op was incorporated only 10 years later in the summer of 1922. “They co-operated in the building of their cabins, a place of worship, and a school, as well as in the clearing and breaking of land. So it was not strange that they decided to co-operate in establishing a store to supply the articles needed in daily living.” (*A Furrow Laid Bare*) A lot has changed, but threads of those early years are still very evident today! We serve a membership of about 2000 active members, employ over 75 individuals, and realized over \$84 million in sales during the 2022-23 fiscal year!

OUR VISION

To be leaders of service in the communities we serve.

OUR MISSION

To offer goods and services in a responsible financial manner pleasing to God, and the people we service.

The bounds of authority as proposed herein appear to us as a medium by which greater unanimity and closer co-ordination can be affected between board members and among Board members, management, and employees.

The Board recognizes its authority as being limited to establishment of policies deemed beneficial to the association; to employing a manager to have charge of the business of the association under the direction of the Board, and to effecting other duties as outlined by the bylaws.

The Board member recognizes that, except when the Board is in formal meeting, his/her authority is equal only to the rights and authority of any individual member of the association.

The Board agrees that while an individual Board member may disagree with a policy or action adopted by majority vote of the Board, He/she should support said policy or action as being the considered judgment of the Board. The individual member shall have the right and duty to present further evidence and argument to the Board, and the Board shall have the duty of reconsidering upon proper evidence.
